

ONE STOP SOLUTION FOR ALL SCHOOL NEEDS

School Ventures is an end-to-end dedicated school consultancy service provider & based out of Bengaluru, Karnataka. Founded in 2016 School Ventures services include Turnkey Preschool & K12 School Projects, Project Feasibility study and return on investment, School Improvement, Branding and marketing, Teacher Training & recruitment, School Quality Audit etc.

Eduproplisting.com is a subsidiary of School Ventures (formerly www.schoolventures.in/properties). Eduproplisting.com is a dedicated Edu real estate portal for buying, selling, renting and leasing of eduproperties across India. Educational properties that can be listed are Pre-schools, K-12 Schools, Colleges, Training institutes and Land or Building suitable for schools.

School ventures is the brain child of Mr Prasanna Kumar B G (Founder & CEO School Ventures). Our expert team lead by Mr Prasanna Kumar B G have the right skill set and experience to provide a seamless end to end school consultancy services to our clients.

Prasanna Kumar
Founder & CEO - School Ventures

Founders' bytes

"School ventures provides a collaborative experience wherein we engage with our clients to understand their areas of challenges through detailed project reports in case of a new project and school quality audits in case of an existing school. A detailed plan of action is prepared with inputs and approval of the clients and executed by the expert team of School ventures." Mr Prasanna Kumar B G, Founder and CEO, School Ventures.

"Through school ventures and Eduproplisting.com we have successfully executed many projects.

- 400+ Preschools
- 20+ K-12 schools
- 30+ school improvement projects
- 500+ preschool deals
- 60+ leasing/ buying/ selling of K-12 properties"

How does the product/ service benefit the K-12 segment

School ventures specialises in

- Turn-key Preschool and K-12 school projects –end-to-end basis starting from Planning, Legal framework, Branding, Marketing, Recruitment, Administration Framework, Academic Planning, Staff training and Affiliations. Our team works diligently on setting up of CBSE, ICSE, IB and IGCSE school projects successfully.
- School Improvement projects - A detailed plan of action is prepared with inputs and approval of the clients and executed by the expert team of School ventures.
- Innovative Training : NEP 2020 is resolute on the inclusion of technology in learning and introducing new learning methods and techniques. School ventures provides a comprehensive teacher training and development program which will help the schools to be on the top of the game to provide best in class education.
- Eduproplisting.com is a dedicated Edu real estate portal for buying, selling, renting and leasing of eduproperties across India. Educational properties that can be listed are Pre-schools, K-12 Schools, Colleges, Training institutes and Land or Building suitable for schools

The educational property market is a niche market. This being the case, it has not been given the required space and dimension it deserves in the various property listing sites. Every other property portal deal with educational properties, just like any other Real estate property like Apartments, Villas or Villa Plots which are up for sale. Educational properties like CBSE/ICSE/IB/State Boards schools which are up for sale, when listed on the website is targeting a highly specific market. And such buyers look for specific information like the Built up area, Board to which the school is affiliated, age of the school, fee structure, No of admissions etc. before shortlisting the properties and contacting the sellers of the K-12 schools. Eduproplisting.com bridges this Gap.

School Ventures collaborates with School owners to set up a preschool or a K-12 school. Our association begins at the conceptualisation of the project and continues till the school is set up and running smoothly with Standard Operating Procedures in place. The team of Eduproplisting.com provide handheld support to our premium clients for Leasing, Selling and Buying of properties. A transparent process is followed to facilitate the deal

Target audience ?

Our Target audience are Preschools, K-12 schools, Colleges and Institutions across India

"The dedication and commitment of Mr Prasanna and his team at School ventures is commendable. Their attention to detail in all areas of school management has helped Vasishtha School of Excellence position itself as truly a school of Excellence".

Mr Bhanu Keerthi N
Managing Director
Vasishtha School Of Excellence

"School Ventures has helped us immensely to expand our operations. Blocks in our operations were identified and realistic and practical solutions were suggested. The team is very professional in their approach."

Ms Roopa Ramaiah
Principal
Jana Sagar Vidhya Mandira
